Hey Natasha and Alex,

I just wanted to check in and see if Alex has had a chance to review the proposal I sent him (even though he's not interested in the idea of a new Office)? And I wanted to see if he's been able to connect with that person from Barrie Housing that was hired from Toronto Public Housing in September 2023, or if he was able to connect with anyone from the Health Unit about trying to help with getting the Fresh Food Weekly program funded properly?

And if not, I wanted to see if he maybe had any other thoughts or ideas on how to possibly get Fresh Food Weekly back up and running again? I am willing to work for someone and dissolve my charity, and have a boss. I just need help getting face time with these people.

Thank you Natasha and Alex,

Leah
